

One more long term partner, Southern Hemisphere Proving Ground – SHPG, signes new 4-year contract for Rajd Proving Ground Management and Safety Solution.

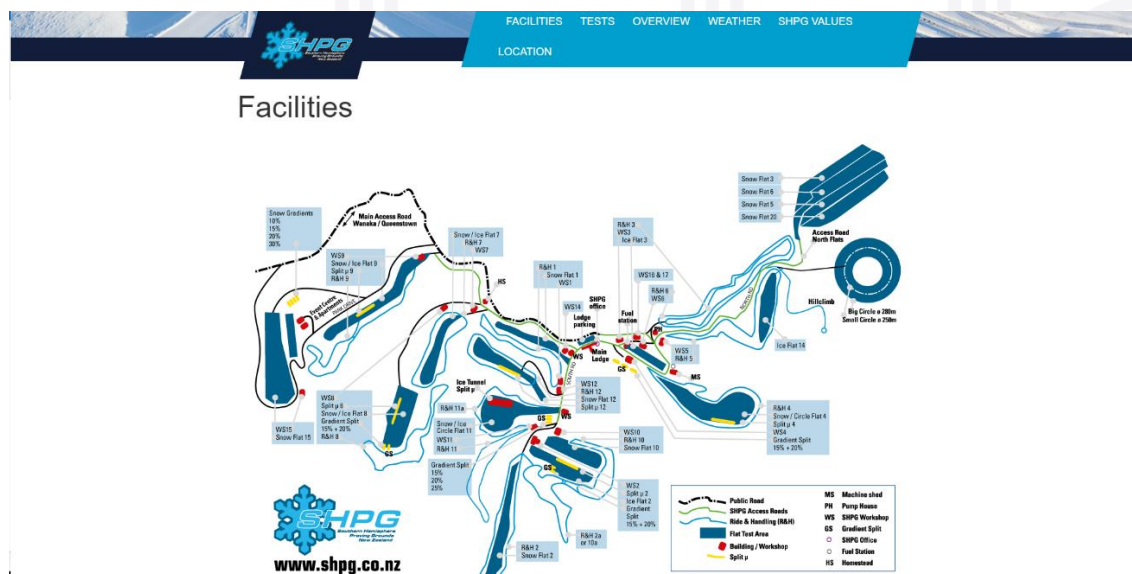

PRESS RELEASE, PITEÅ, JANUARY 2019

Rajd Systech AB develops, markets and delivers Safety Solutions for Proving Ground Management to the global automotive testing industry. Delivering both standard solutions as well as customized solutions specifically tailored for individual Proving Grounds. The Rajd Proving Ground Management and Safety Solution (Rajd PGM) incorporates Safety with a Business Tool ensuring optimal flow embracing all aspects within the business chain www.rajdsystech.se.

Southern Hemisphere Proving Grounds (SHPG) is an award winning automotive proving ground located in the South Island of New Zealand, offering winter testing from June to September.

Testing from June-September, means reduced development lead-times by adding an additional winter season to the testing calendar.

SHPG has been very successful since the start and can now offer 100 resources to 250 simultaneous users. For more info visit www.shpg.co.nz.
