

Asia owned European Proving Ground signes 4-year contract for Rajd Proving Ground Management and Safety Solution.

PRESS RELEASE, PITEÅ, JANUARY 2020

Rajd Systech AB develops, markets and delivers Safety Solutions for Proving Ground Management to the global automotive testing industry. Delivering both standard solutions as well as customized solutions specifically tailored for individual Proving Grounds. The Rajd Proving Ground Management and Safety Solution (Rajd PGM) incorporates Safety with a Business Tool ensuring optimal flow embracing all aspects within the business chain. For further information visit www.rajdsystech.se.

Rajd Systech AB is proud to announce that one of the world's largest Asian Automobile Manufacturer has signed a major 4-year contract with us for our Rajd Proving Ground Management Solution. The solution will be implemented at their testing facility in Europe. The client has several Proving Grounds worldwide, this installation will be a "test of concept" and if proven successful the aim is that all their Proving Grounds will be equipped with the RPGM Safety Solution.
